SCÈNE I

La scène est partagée en deux parties: à gauche, les gorges horribles du Ténare. Ténèbres opaques. Des oiseaux sinistres, des chauves-souris immenses, traversent, obscurs, l'obscurité de la caverne, dont l'orifice s'ouvre sur la terre, en haut, de biais. — A droite, la Terre, à l'entrée du Ténare. — Ajoncs, bruyères. — Au fond, la mer. Lumière paisible du matin, et qui ira grandissant jusqu'à l'arrivée d'Orphée au seuil de la caverne. Au lever du rideau, le peuple dont la foule grossit sans cesse, agite les rameaux d'olivier des suppliants, dans l'attente du retour d'Orphée.

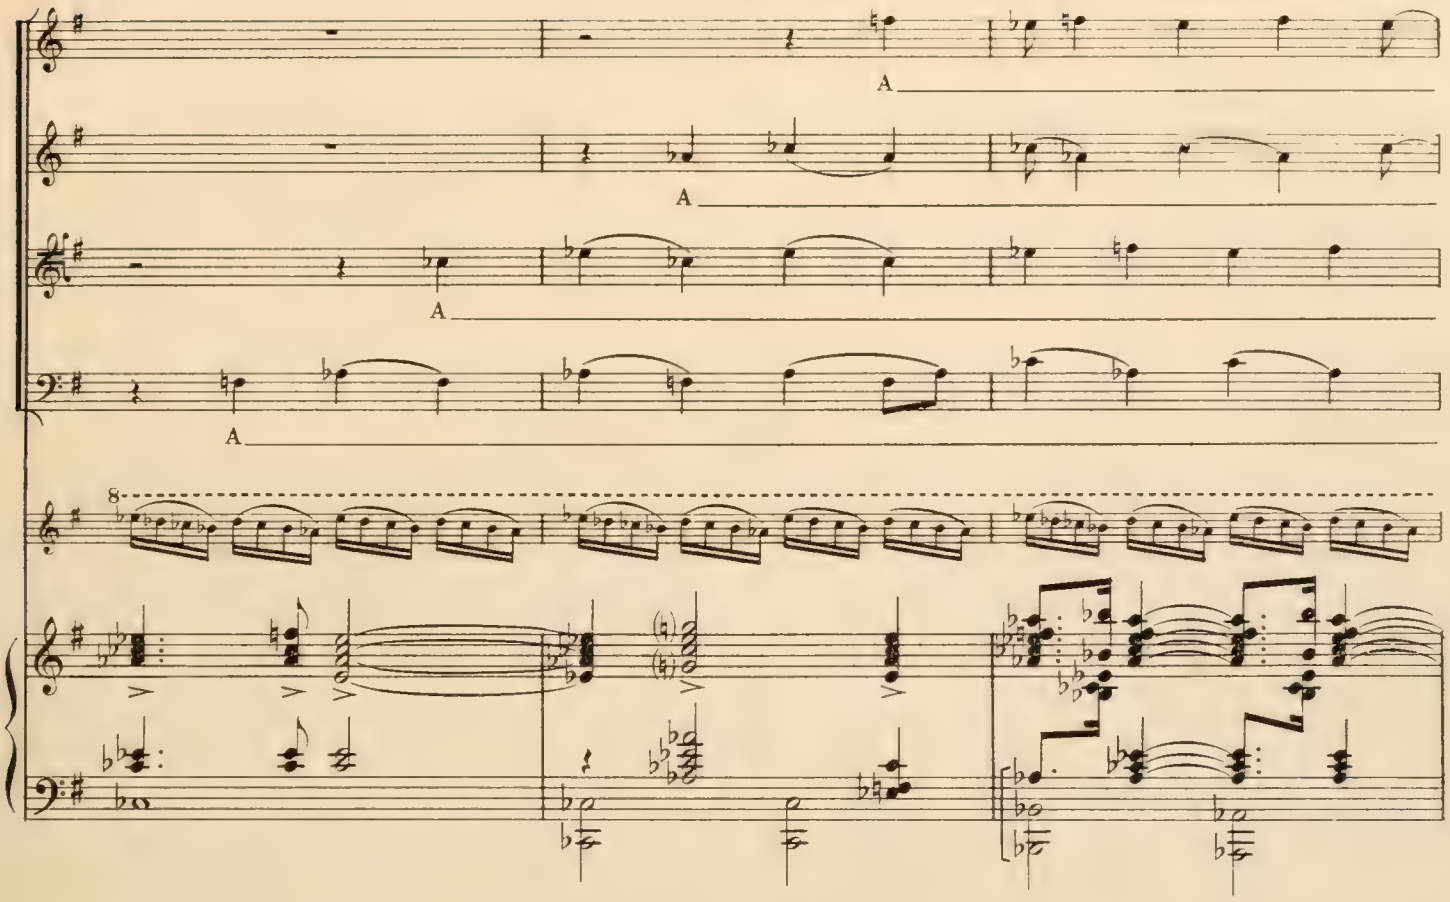
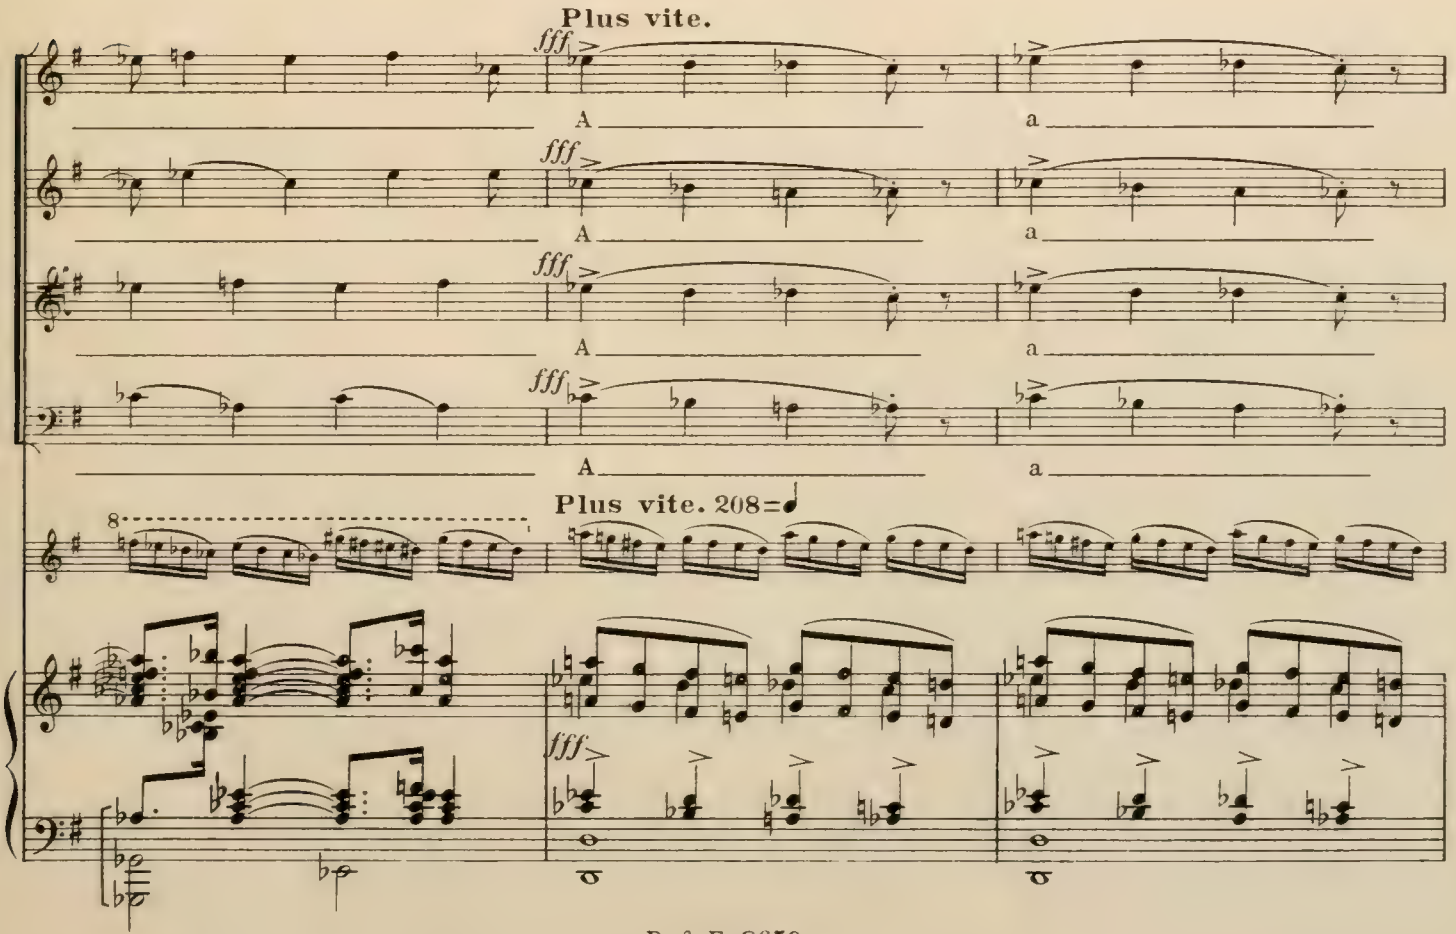
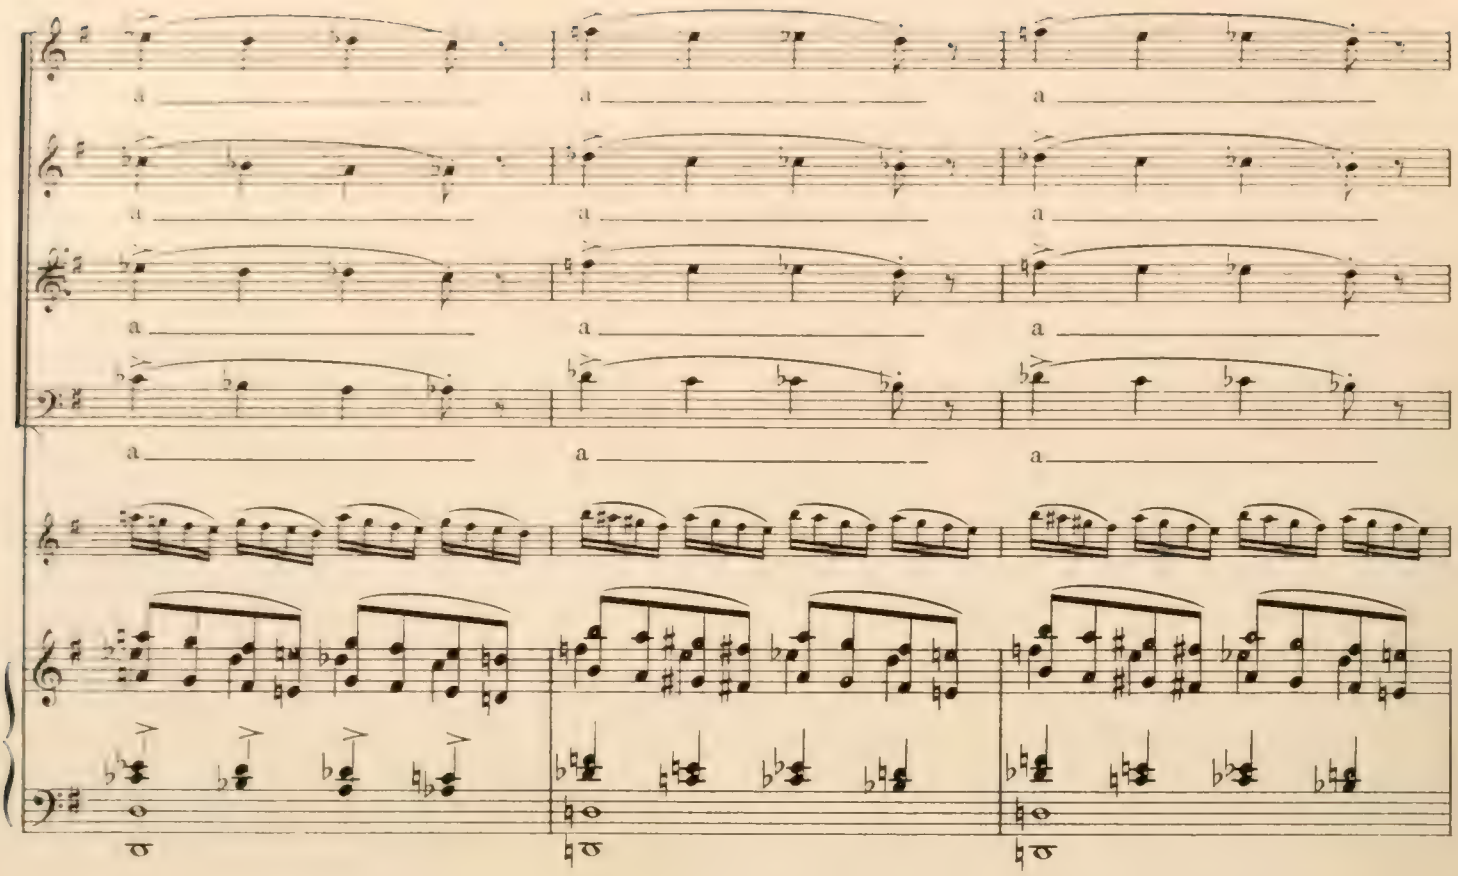
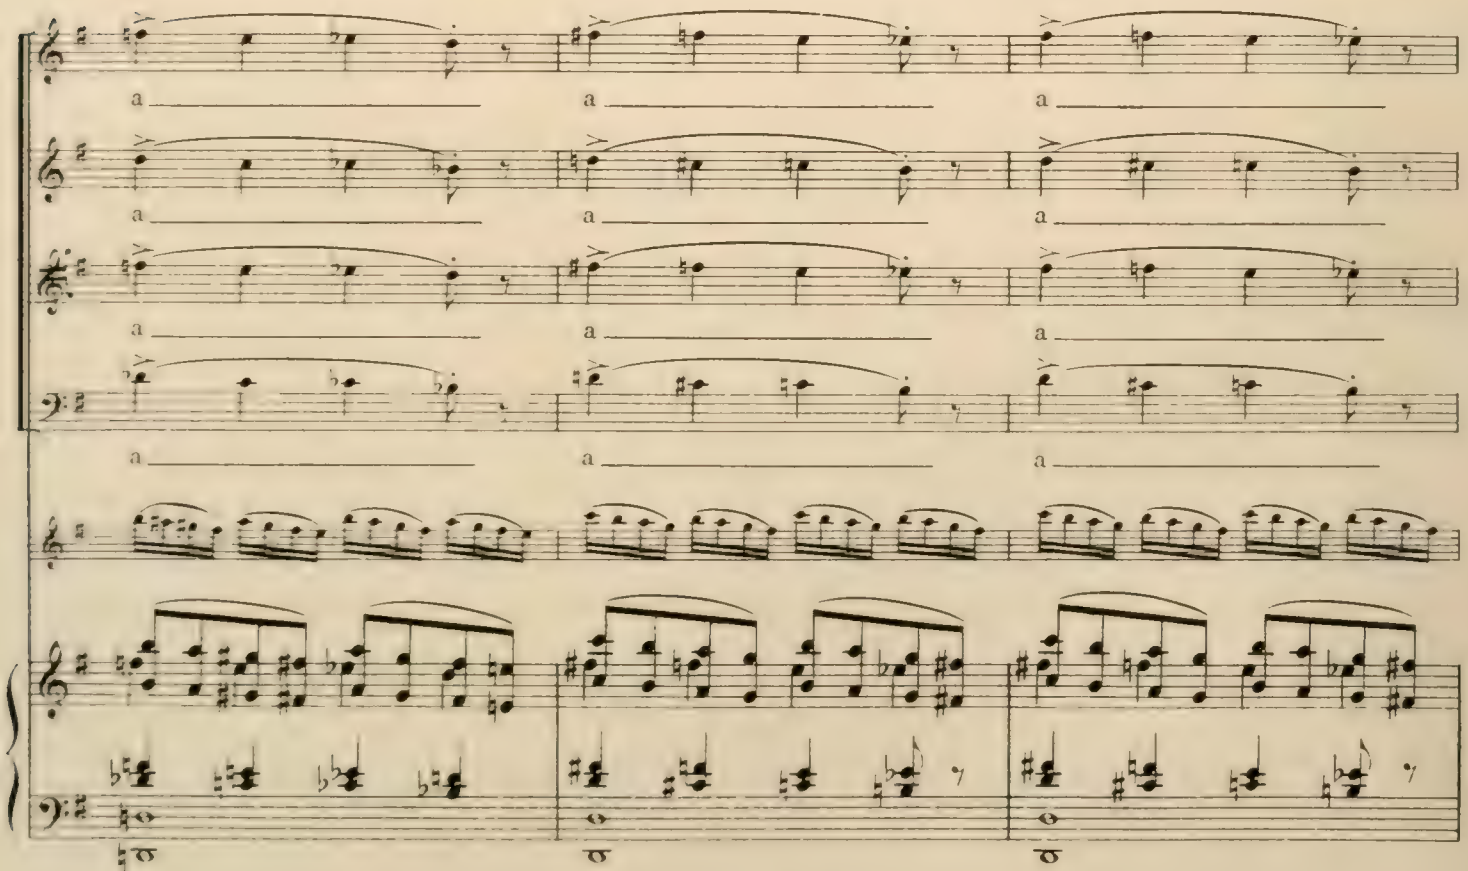
Orphée se retourne: Eurydice disparaît: Vaincu, il se précipite vers la terre



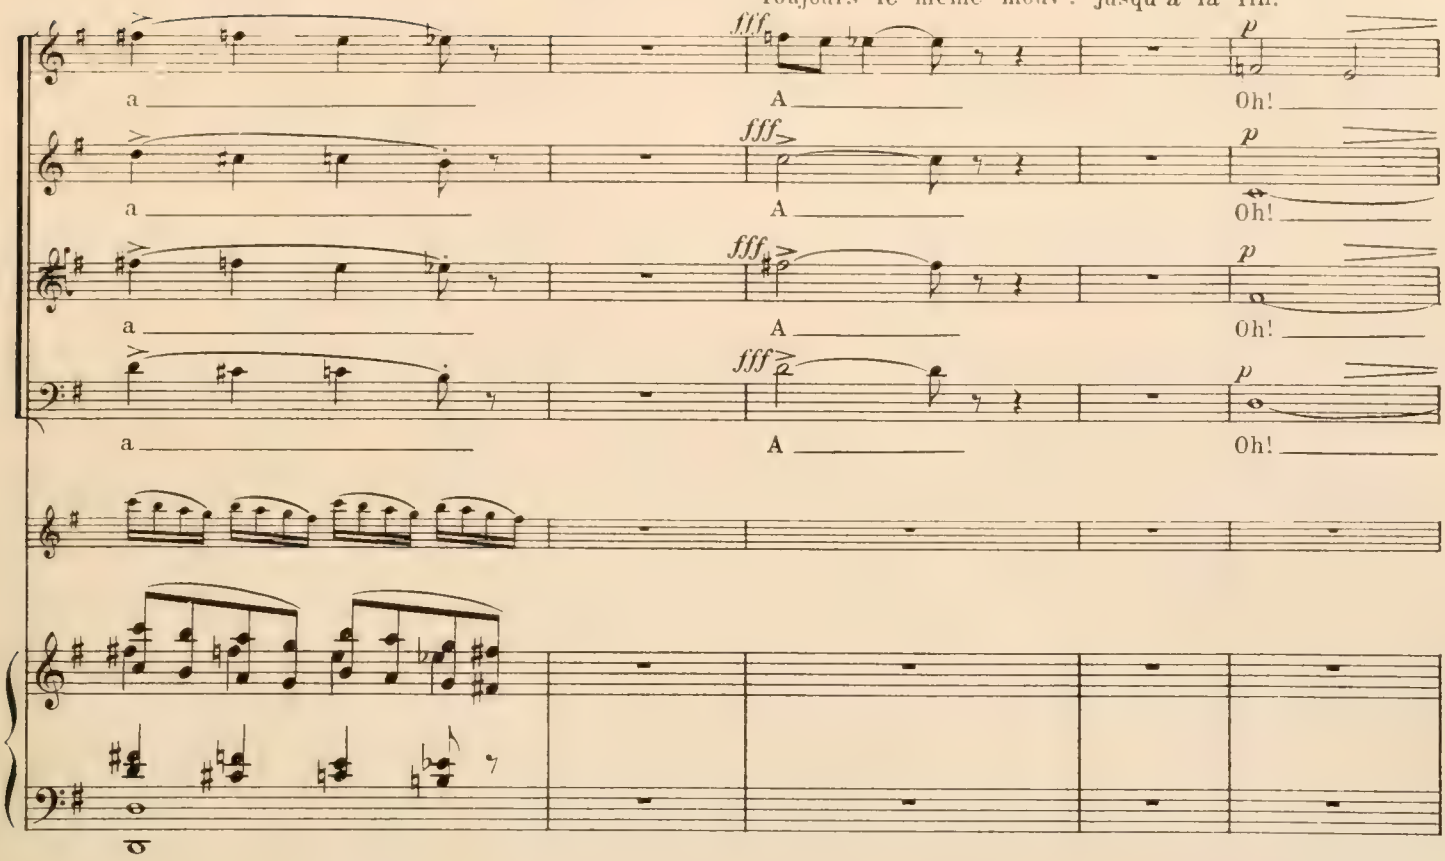


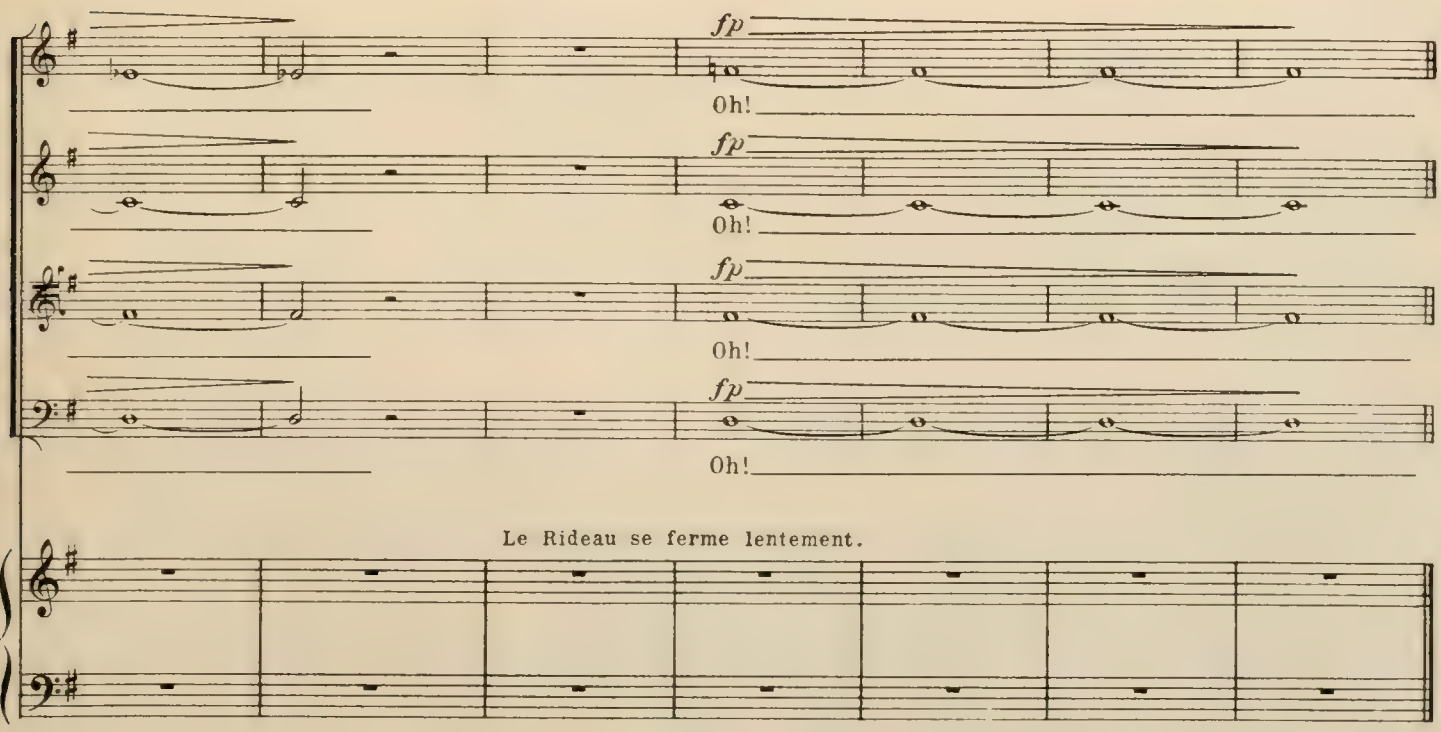




A ce moment, Orphée a paru a l'entrée de la grotte; mais, immobile comme une statue, il se dresse, lumineux, sur le fond noir de la caverne. Eurydice n'est plus avec lui et sa lyre est brisée. Long gémissement du peuple.

Toujours le même mouvt. jusqu'à la fin.





Le Rideau se ferme lentement.

Fin du 2e Acte.

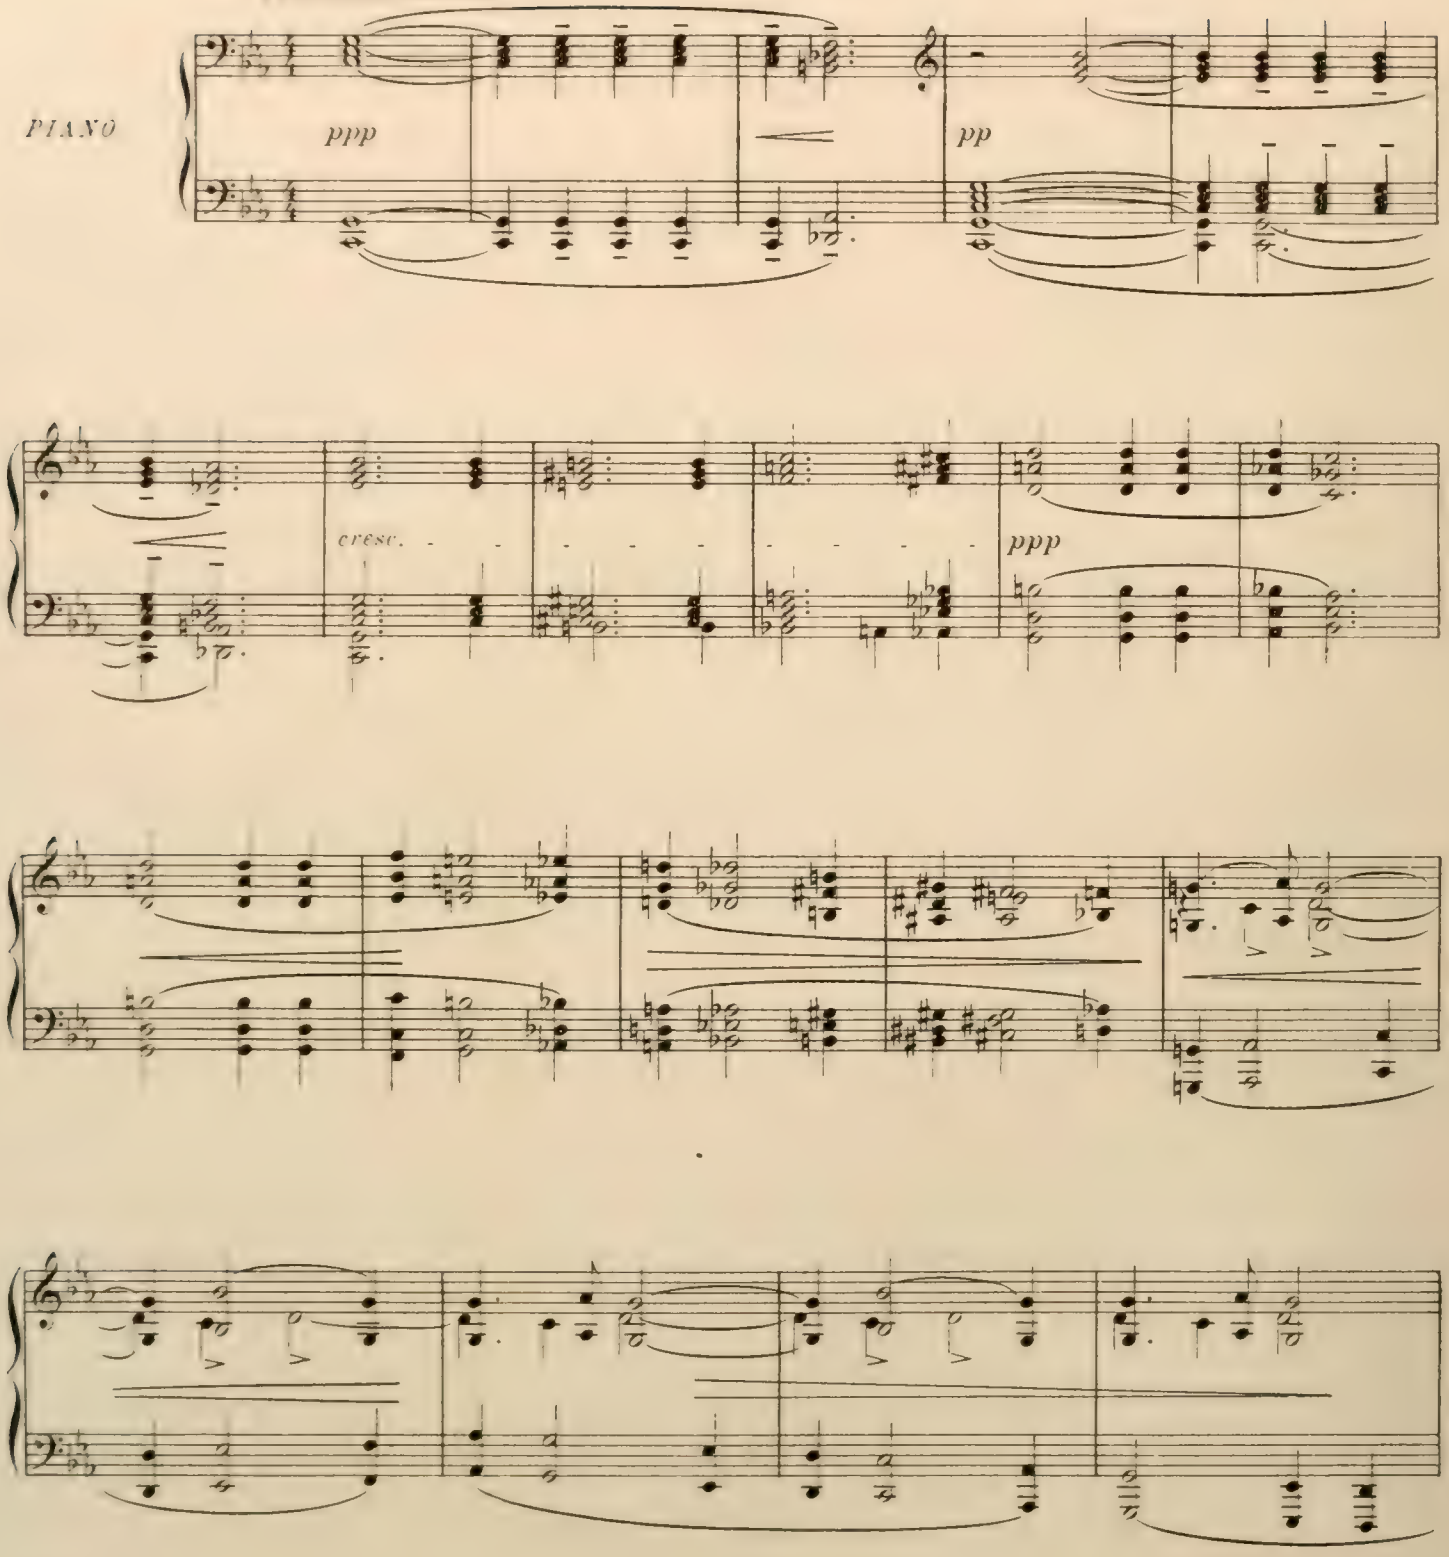
ACTE III

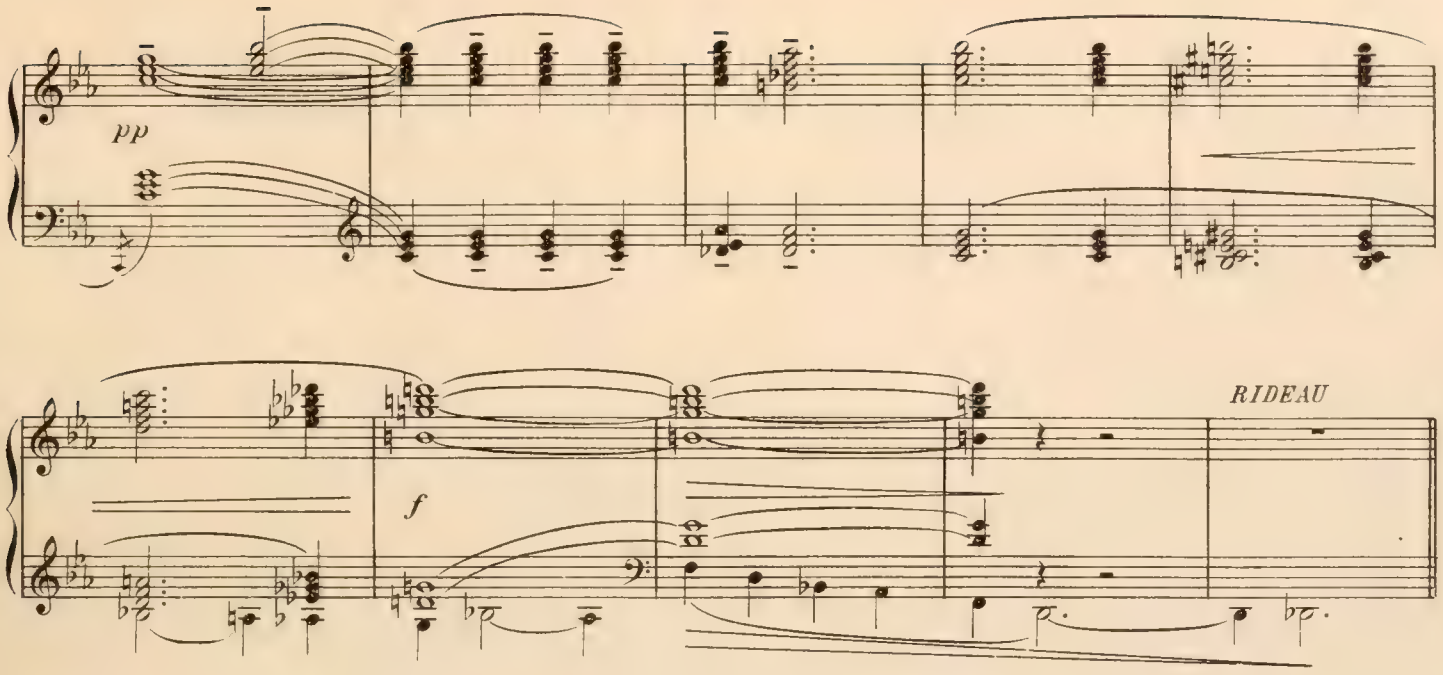
LA MORT D'ORPHÉE

SCÈNE I

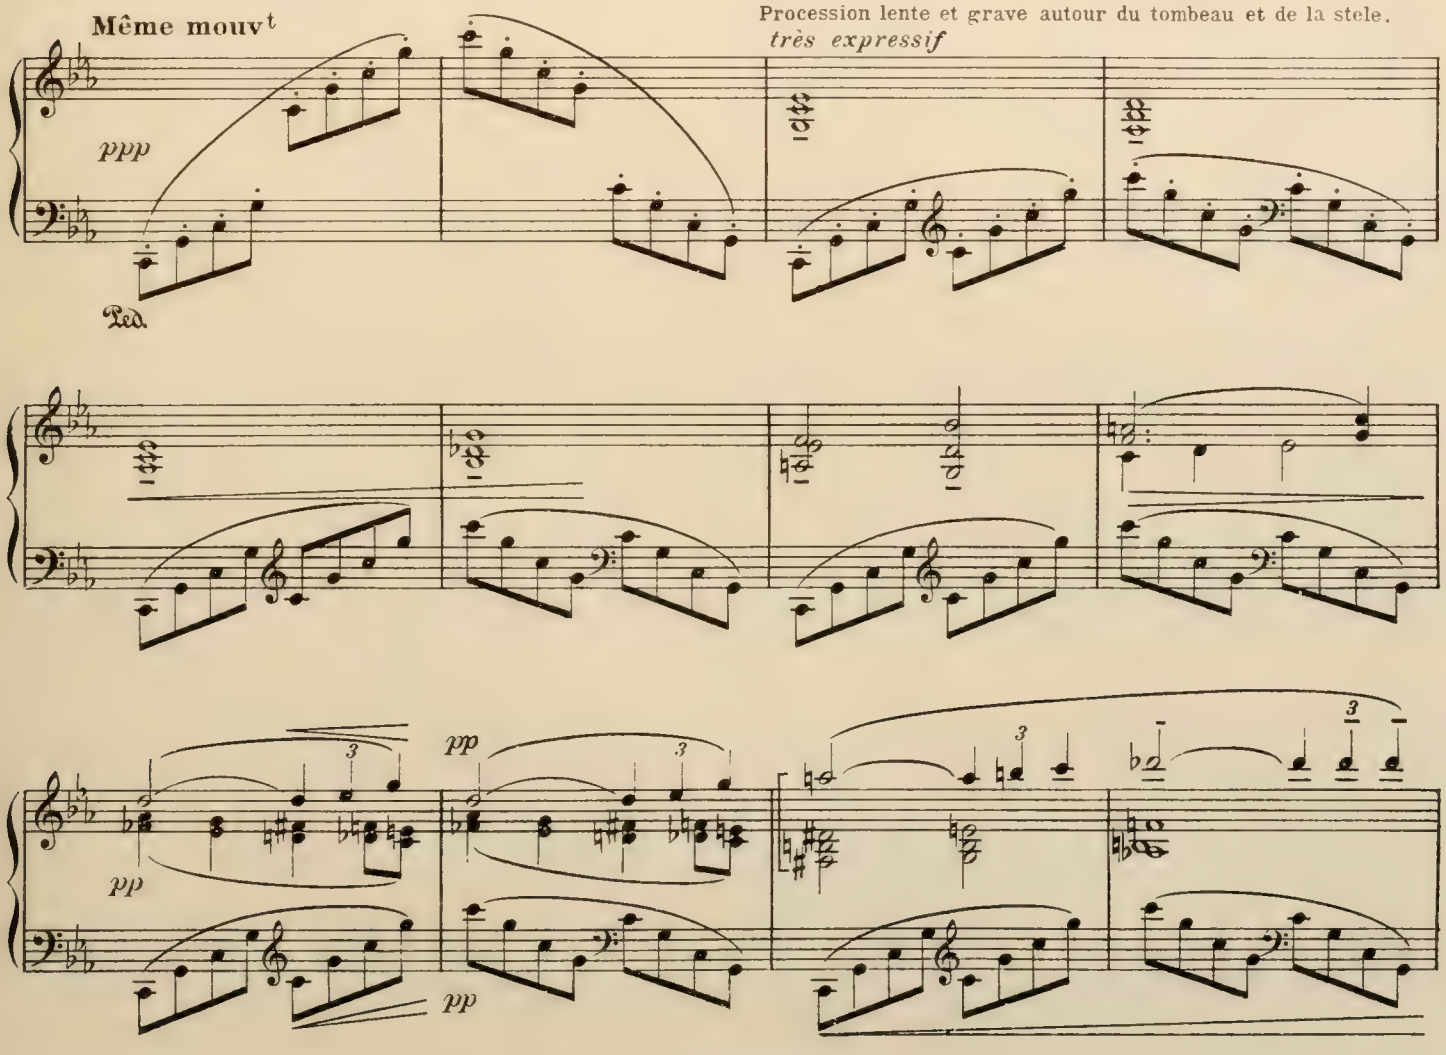
Très lent 58 = 𝅗𝅥

PIANO

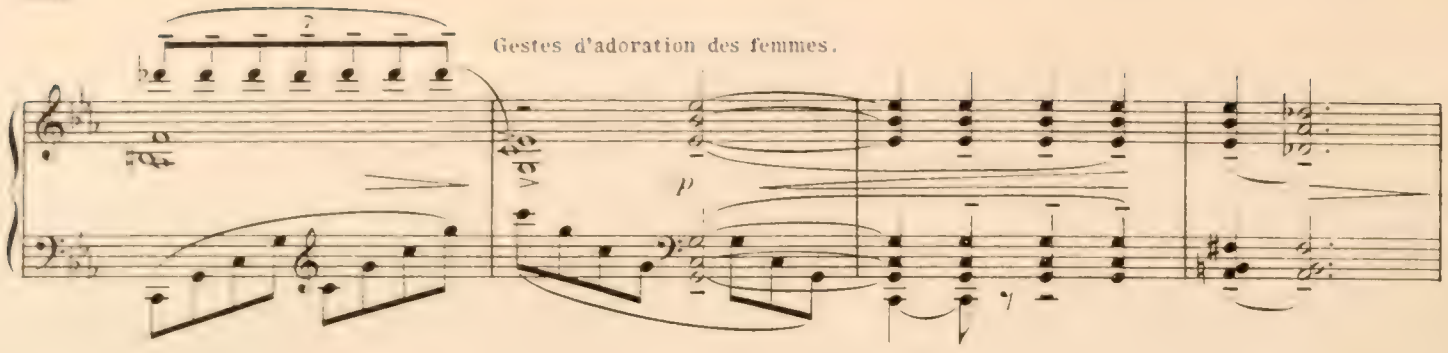


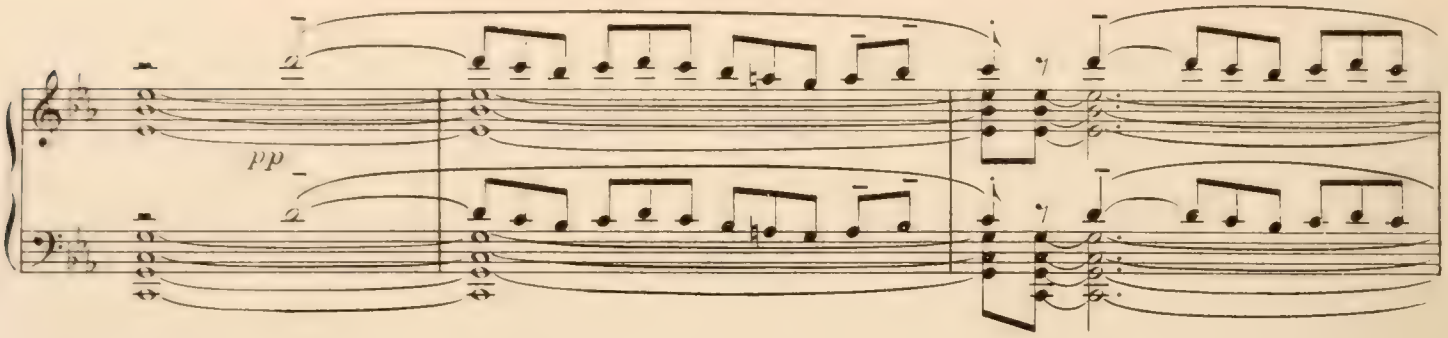


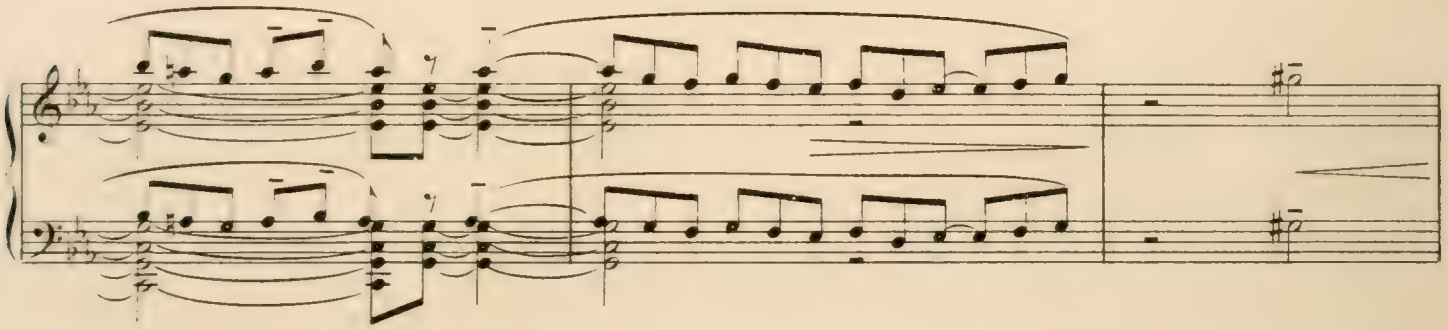
Au soir — Le tombeau d'Eurydice — A côté, la stèle funéraire. Orphée est devant le tombeau, tenant en main la coupe des funérailles. Des jeunes femmes l'entourent.



Gestes d'adoration des femmes.







On offre à la stèle des couronnes et des bandelettes, des fleurs et des parfums.
